Why do the critics agree that **Might and Magic™** is a classic? Because technically, it's a fantasy role-playing simulation game for you and your personal computer, intellectually however, **Might and Magic™** is an adventure.

It packs more detail than any other role-playing game featuring:

- 200 Monsters
- 94 Spells
- 250 Magic Items
- Flicker Free, 3-D full color indoor/outdoor graphic terrains to explore.

That's quite a lot for mere mortals to handle. But then, we designed **Might and Magic™** that way. So, with all your **Might** and our **Magic**, we dare you to accept the challenge that takes you seriously.

Now available for Apple® II series, Commodore 64/128, and IBM/Compatible.
Hint/Map book also available.

Ask for **Might and Magic™** at your local dealer.
